G.O. No. 461, 5th May 1934

Government direct that transfers of Government servants without travelling allowance and/or pay during joining time, as a penalty for misconduct be discontinued. rationing etc. The additional clerk referred to in item (2) above was attending to evacuee enquiries, A.R.P. work, requisitioning of Motor vehicles for A.R.P. work etc. These 3 clerks have enough work to attend to and cannot be assigned any more work.

2. Other items of work connected with the war, viz., requisition and acquisition of properties for military and other Central Government purposes and payment of compensation, sugar paper, iron etc. Control orders, Food Grains Control order, including requisitioning and acquisition of rice and paddy, yarn and dyestuff, textile control order were distributed as a temporary measure among 4 clerks of the Correspondence section. These are all hardworked clerks and it is not feasible to continue this as any long term measure. The work connected with requisitioning and acquisition of rice and paddy and correspondence on account of objection petitions, fixation of compensation etc. alone requires the services of one clerk exclusively, and by tacking on these additional items to clerks in Correspondence branch dealing with the normal office work it is found that work is not done with as much promptness and efficiency as these important subjects require.

3. The Government were pleased to sanction an additional Huzur Head Clerk to my office in their order Ms.2626, dated 28-9-1943 and this has to some extent relieved the additional work which the Section Heads viz., the Huzur Sheristadar and Huzur Head Clerk had to attend to till now. A new section has been formed in my office with the additional Huzur Head Clerk as Section head and the 3 temporary clerks referred to in para (1) above and the Home clerk and Standard Cloth Clerk are working under him. All these five clerks have heavy work and cannot be allotted any more work. At the same time I consider that two more clerks may be included in this section to take up the additional subjects mentioned in para (2) above, so that the work may be done efficiently, and relief may be given to the clerks in the Correspondence Section. I therefore request that 2 additional L.D.Clerks may be sanctioned for my office for a period of 6 months. Two additional peons may also be sanctioned for a period of 6 months to work under the additional Huzur Head Clerk.

The Collector has not given any comparative figures of work in support of his application. I agree may suggest that one additional clerk and one addl peon may be sanctioned for the present and that the Collector may be asked to furnish the figures if he finds the employment of a similar addl staff essential in the light of the experience of the extra staff now sanctioned. The draft order may be accepted subject to these remarks.
